

Customer Authorisation for Mobile Number Port Reversal

If your number has been transferred FROM ALDI mobile without your authorisation, you should immediately take steps to protect your identity, bank accounts and other assets which may be accessible through your mobile number.

You then need to purchase a new SIM card(s) and complete and return this request.

We will pass this onto our carrier, who will attempt to process a reversal of the mobile number port but cannot guarantee either its success or how long the process might take.
